

# Thermal Printheads

Graphic Controls offers OEM and OEM compatible replacement printheads for your packaging and labeling needs. We supply high quality thermal printheads for leading printer brands including **Zebra**, **SATO**, **Toshiba**, **Markem**, and **Datamax**, all at competitive prices. Count on us for reliable performance and fast access to the parts you need.

## Printhead Perks:

- Wide variety of OEM specified thermal printheads
- In stock ready to ship
- Replacing a printhead is more cost effective than replacing a printer
- Repairs are often limited or not possible
- No technical support needed
- "Do it yourself" drop in installation

For routine maintenance try our thermal printhead cleaners.
